

# Homelessness: A Second **Call To Action!**

**HUMAN<sup>E</sup> EXPOSURES** invites you to our second “**Call to Action**” event, bringing together community activists, politicians and their staff, business owners, and residents to explore solutions to the crisis of homelessness in downtown San Diego. Our goal is to gather every three months to continue the dialogue.

#### Topics of discussion:

- Promoting permanent solutions instead of temporary shelter
- Promoting supportive housing as a proven, safe, cost-effective/cost-saving way to end long term homelessness
- Promoting best practices for preventing and ending family homelessness
- Promoting a regional plan for family homelessness

Presenters will be announced in second email.
